### Cruise Lines

I've been a cruise director with Royal Caribbean Cruise Lines for over 10 years, I have seen several different hypnotists perform including several performances by "Jeff West".

In my opinion, the JEFF WEST EXPERIENCE is by far the most entertaining, engaging, hilarious and clean family shows that will be enjoyed by audiences of all ages.

Jeff is very professional, easy to work with and I highly recommend him if your looking for an outstanding headliner "entertainer" to perform on cruise ships and vacation resorts of all types. Jeff has over 20 years of experience in performing large and small audiences in top corporate and college venues, which allows him to easily connect with any type of audience.
